DORIS BROWN

CEER NOMINEE

She/Her/Hers

Doris is a co-founder of the Northeast Action Collective (NAC) and a lifelong resident of Northeast Houston. She joined staff at West Street in June of 2020. Doris grew up in 5th Ward and Kashmere Gardens and has lived in Scenic Woods for 56 years. She graduated from HCC with a degree in Human Service Technology and Certification in Mental Health. In 2016 she graduated from University of Houston with a Bachelor of Science in Interdisciplinary Studies. Doris started as an activist in the civil rights movement when she was 13 years old, following her instinct of "if it's not right I want to fight".

EVELYN CASTRO

2024 YOUTH LEADER

She/Her/Hers

Greetings! My name is Evelyn Castro, a 15-year-old sophomore at Carnegie Vanguard High School. Residing in the proud community of Northside/Northline, I'm dedicated to addressing and mitigating various social issues at the local level, particularly education and equitable access to resources for a greater quality of life. My passion encompasses volunteering work, where I organize and aid in after-school tutoring, community festivals, lead community clean-ups, and speak at beneficial seminars. Beyond community engagement, I'm skillful in painting, writing, and networking. As an advocate for positive change, I express my concerns and contribute to the common good.

JACKIE MEDCALF

PRECINCT 3 NOMINEE

She/Her/Hers

Jackie Medcalf is the resounding voice of Texans who are negatively affected by toxins in their environment. With her Environmental Geology degree in hand and a passion for public health, Jackie discovered what no doctor could - a hidden menace that threatened the lives within her home and those around the San Jacinto River; toxic chemicals and heavy metals seeping into the water supply. Today, as the Executive Director of Texas Health and Environment Alliance (THEA), she is on the front lines of protecting public health by collaborating with government agencies, businesses, and community members to cleanup historic toxic waste sites.

FISIHA NEGUSSIE

2024 YOUTH LEADER

He/Him/Hims

As a dedicated community leader in Harris County, Texas, I've been actively involved in initiatives aimed at empowering youth and fostering positive change. My journey began with the founding of the Ethiopian Orthodox Tewahedo Youth Union, where I've worked to encourage civic engagement, celebrate cultural heritage, and promote environmental stewardship. Inspired by the resilience of our community in the aftermath of Hurricane Harvey, I've been passionate about addressing climate change and advocating for sustainable practices.

CRYSTAL NHU NGO

CEER NOMINEE

She/Her/Hers

Crystal, as the EJ Outreach Coordinator, spearheads community engagement efforts and fosters environmental decision-making through the Environmental Justice Leadership Lab. She hosts workshops to prepare community members for permit hearings, organizes cultural tabling events to foster dialogue, and makes public comments to advocate alongside the community. With a commitment to advancing language justice, she contributes Vietnamese translations to support the organization's mission. Rooted in the vibrant community of the southwest side of Houston, Crystal's upbringing instilled a passion for ensuring equitable access to vital resources and preserving the environment for future generations.

ELLIANI RODRIGUEZ

2024 YOUTH LEADER

She/Her/Hers

Observing the disparities in representation and access to scientific knowledge within her community has fueled Elliani's lifelong commitment to initiate change. Through diverse roles—ranging from a 5th-grade science teacher to an intern with the National Park Service and Mercer Botanic Gardens Herbarium—Elliani dedicated herself to this mission. Now, as a Naturalist at the Houston Arboretum, Elliani merges her experiences to foster inclusivity and promote sustainability. Her vision is one where every individual is empowered to advocate for environmental conservation in urban landscapes. Elliani aspires to cultivate a future where scientific literacy and environmental consciousness are integral to our community's ethos.
